Black, Starr & Frost Men's Watch

Bid today at: <http://bit.ly/2gtsbHL>

Value: \$2,500

It's the Best Investment in Time. Black, Starr & Frost's new Renaissance Collection of fine men's timepieces are the first new timepiece designs to be created in the last three decades, and the first-ever dress chronograph watch with hidden pushers. The American-designed timepieces contain Swiss components including a modified Valjoux 7750 automatic chronograph movement with 25 jewels.

This limited-edition timepiece features eight elegant variations, with only 25 timepieces per design available. This both modern and classic timepiece will impress even the most sophisticated watch connoisseur.
